Polocrosse action is well underway across the nation with State Championships in three states in the first five months of the year.

Games started during the Christmas holidays in Victoria, Tasmania and South Australia with action heating up in New South Wales, Western Australia, Northern Territory and Queensland.

The New South Wales State Championships will be held on the long weekend in June at a venue to be finalised.

"We had 90 teams at our State Club Championships last year, and I would expect the same number this year," State President Arch Anderson said.

A lot of emphasis is placed on the zone championships in New South Wales which will be on the first weekend of August in Warren.

Hunter Valley and South West Slopes are traditionally the strongest zones in New South Wales, but Northern New England, North West Plains, Western Districts, Southern Highlands, South West Riverina and Central West are also capable of winning some of the championships.

Games will be played for the zone championships in Warren; championship and A grades for men, women and mixed, under-21 men and women, under-16 boys, girls and

mixed, master's men over 50 and master's women over 40. There will be an increase of one grade from last year.

New South Wales has one new club, Wollondilly, which will play out of the Camden grounds in south-west Sydney. The New South Wales season started with carnivals in the Southern Highlands zone, and carnival team numbers are on par with last year.

Polocrosse Association of Australia president Rodney Geppert said he was happy with the progress of the sport in the city and country this season.

"We are always keen to attract new members. You only need one horse to play polocrosse," he said.

"It is not a high-cost sport and much cheaper than most sports."

There is plenty for national open squad members to look forward to with a mixed tour to Zambia next year and then the World Cup at Warwick in Queensland in April 2019, which will put the top eight nations in the world head to head.

"We plan to select two national squad mixed teams to play in Albury in April next year after which the team to tour Zambia will be named."

While Zambia has played in the past two World Cups and has one cup win against current champions South Africa, the 2018 series in Zambia will be a first between Zambia and Australia.

State Success

The success of the Hayden Turnbull Clinic at Naracoorte in South Australia in January was one of the early highlights in the polocrosse season in the southern states.

Turnbull was named late last year as captain of the Australian men's team to play South Africa in April 2017 and is a past winning Australian World Cup player.

He plays for the Quirindi club in New South Wales and was the head coach for the clinic at Naracoorte.

The 48 participants were split into two groups for two days of coaching each.

It wasn't all coaching at Naracoorte with club carnivals on the weekends at the beginning and end of the coaching camp.

Seven players from Tasmania travelled to Naracoorte for the coaching camp as part of the development of tristate teams from Tasmania, South Australia and Northern Territory to play in the nationals and carnivals like the annual Australian Polocrosse Junior Classic each year at Albury.

Four South Australian players headed to a carnival in Tasmania early this year as co-operation between the states increases.

There is a lot of excitement in South Australia about the tristate development work," state polocrosse president Richard Heyneman said.

"More exchange visits are planned between Tasmania and South Australia," he said.

Quirindi player and current Australian men's captain Hayden Turnbull (with ball) will be one of the players to watch in zone and state championships in New South Wales this year. He also coached 48 players at a camp at Naracoorte in South Australia in January

Polocrosse News

The sport in Victoria is going strong with a successful mixed carnival hosted by the Rosedale club at Trafalgar.

The first carnival of the season was at Casterton in western Victoria and the State Championships will be held on 6th and 7th May at Ballarat.

Queensland will hold carnivals from early April to the state championships from 1st to 3rd September at

Chinchilla in the Leichhardt zone.

There will be 44 carnivals in Queensland for the season, including the Queensland Zone Championships at Bauhinia in Capricornia zone on 1st to 2nd July. The Tambo club in the Central West Zone is hosting a New Zealand invitational team at their carnival on 21st and 22nd May.

Western Australia is one state which plays much longer than a six-month season,

the first carnivals this year were in March, and the last carnivals will be in November.

The state championships will be played at Capel on 28th and 29th October, the third selection tournament in the run-up to the selection of Western Australian teams for next year's nationals.

The Nationals are played every two years and will be played in Perth on 1st to 7th October 2018. 🇦🇺

Lindsay Doolan, riding WAY WAY AMAZON, is a rising star of New South Wales Polocrosse. She played for her Zone, her State and her country during the 2016 season. She begins this season in state colours again and will come under the selectors' gaze for Australian squads

Article prepared with information from: Royal National Capital Agricultural Society

Canberra's Royal Show was a relaxing yet exciting atmosphere that gave the Australian Stock Horse community a great opportunity to meet and mingle. It is a great stepping stone for young horses into the larger Royal Show atmosphere. The ASH Classes took place at Canberra's Exhibition Park on Friday, 24th and Saturday, 25th February.

Winning the Supreme Champion Led ASH award this year was 3yr old filly ASAR MARTINI - HSH (WAYERRI PROSPECT - HSH/HOLMWOOD WHISKEY - HSH). She received this award after being named Champion Led ASH Mare or Filly and placing first in the 3yr Old Led ASH Filly competition. She is owned by ASAR Stock

Horse Stud and was led by owner Sam Amey.

The ASAR horses did well this year with ASAR APPLAUSE - HSH (WAYERRI PROSPECT - HSH/BOOERIE CREEK ALLEGRETTO - HSH) coming in second in the 3yr Old Led ASH Filly. ASAR DIRECTION - HSH (STAR PAVAROTTI - HSH/KIRKBYS STUD CHEERS - HSH) placed third in the

4yrs and Over Led ASH Stallion, 4yrs and Over ASH Stallion Hack and first in the ASH Working Stallion or Colt classes.

Led ASH Stallion class with owner Shane Piper leading.
 Reserve Champion went to CHEVALLEY PARK COLPLAY - HSH (JAYTEE JUSTICE - HSH/BEAUVIEW LIL SISTER - HSH) and Tia Andrews after placing first in the 3yrs and Under Led ASH Colt. Tia said for CHEVALLEY PARK COLPLAY - HSH's first time at Canberra he took to it really well and amazed her how well he did around the other horses.
 "His biggest test was riding around with 200 to 300 other horses, he loved it and didn't mind the other horses. This was one of his biggest outings so far and it was very exciting to take him out."
 Owner Kathy Lammi said they were very happy with his results and that CHEVALLEY PARK COLPLAY - HSH is "very promising and very well behaved."

Rachael Schliebs led COMBANING DOWNS PRADA (BOONARA QUICKACRES/GLEN LEE RIVOLI KALENE - HSH) who placed first in the 2yrs and Under Led ASH Filly class before winning the title for Reserve Champion Led ASH Mare or Filly.
 After coming in first in the 3yrs Led ASH Gelding, FAIRWAY BANJO - HSH (FAIRWAY AMBROSE - HSH/SILVERTHORN COUNTRY MUSIC - HSH) with Tanya Duncan, was awarded Champion Led ASH Gelding. Reserve Champion went to CAMELOT BLING IT ON (KOORALA TOP SECRET/NANIMA SHANDYS GIRL - HSH) owned and led by Paul Davidson. They placed first in the 2yrs and Under Led ASH Gelding class. Paul said he was very happy with the win, "for a yearling to win in a 2yr old class and to have then been awarded Reserve Champion is very exciting."

A consistent performance by Cole Moxey and BRANDWOOD ARIZONA (STELLARPARK ROCKSTAR/MISS AMERICA), a 3yr old filly owned by Nicole Barnes, won them the Supreme Champion

BRANDWOOD ARIZONA placed fourth in the 3yrs Led ASH Filly, first in the Under 4yrs ASH Hack Any Sex, third in the ASH Working Mare or Filly, and was named as the Champion Ridden ASH Hack. BRANDWOOD ARIZONA was broken-in and trained by Cole and was very happy with her performance commenting on how casual she is.

“She wasn’t bothered by the noise and seemed to really enjoy the atmosphere. To compete with the older horses, she had to do things that she’d not been trained in, and she handled it fine. She’s quite well balanced and happy to try new things out. She only takes five minutes to warm up.”

King of the Ranges

2

When it came down to the crunch, it was a rivalry between incredibly talented stockmen to determine the champion of the 2017 King of the Ranges Stockman's Challenge. So, who was the "King" of the big challenge?

Article by: Caitlin Hall

For the third consecutive year, Armidale's Bronson Macklinshaw has taken out the Challenge and the sheer delight of the victory was celebrated in true style. He was followed by Walcha, New South Wales' Carl Green who was also thrilled with his achievement.

The men were among the 50 odd men, women and junior competitors who took part in the Challenge held in Murrurundi, NSW at the top end of the Hunter Valley just below the range. Competitors and spectators travelled from near and far for the annual spectacular, held from Thursday, 23rd to Sunday, 26th February.

The 14th annual event has been hailed another fantastic success by the Committee, who were blown away by the enormous support of their Sponsors this year. Especially Regional Australia Bank, which have been the event's Naming Sponsor for at least two years. The Stockman's Challenge was made all the more exciting due to the huge number of extra activities and entertainment held throughout the weekend ranging from a Cattle Dog Trial to High-Velocity Trick Riding and a moving re-enactment of the life and times of Archie "Bung" McInnes, the inspirational Stockman and Light Horse member from the early 1900's.

The first two days of competition saw all competitors show a glimpse of their skills in the seven preliminary events,

including packhorse and stock handling, bareback obstacle, whip crack, horse shoeing and cross country, vying for their slice of more than \$40,000 in prizes and prizemoney.

Once the scores went in, the tallies were totalled, and the top ten Open competitors, top three lady competitors, top three Novice competitors and top three Juniors were named for the big finale on Sunday. This year the finals saw a fantastic display of horsemanship coupled with sheer determination and guts in the final challenge events.

The Open finalists took on some tougher horses in the stock saddle buckjump and wild horse catch, while the Novice and Ladies also took on the challenge of catching a wild horse. The Junior Champion was determined from a final obstacle time trial.

The overall top team of the event was the yellow team made up of Australian Stock Horse Society Members; David Mitchell, Emma O'Shea, Paxton Pulford, Rowan Ross, Paul Clarkson, Hannah Keen and Racheal Finlayson.

This year's lady Champion was repeat winner Emma O'Shea, who again displayed an enormous amount of strength and ability as a horsewoman while Larissa Pearsall took home second place.

Merriwa's Zeb Pearce was the successful Junior competitor who was crowned the Champion on Sunday afternoon, with Ben Shenton and Johnny Ward taking home second and third.

The Open Champion, Bronson Macklinshaw, has taken out the event since 2015 and has also won the Snowy River Challenge at Corryong, Victoria in the past. Bronson and his horse EDENHOPE SMOKEY (owned by D & JN Smith) performed consistently throughout the four days to finish up with a 703 on the scoreboard.

Bronson said he was very happy to win three challenges in a row, especially at Murrurundi as it is his favourite challenge out of all of them.

"The competition is always tough - there are a lot of talented horsemen and women that compete in these events now and just making the final is an achievement in itself. I'm pretty superstitious and believe things come in threes, so that's it for me and the challenges now!" he said.

"I'm going out on top, and might take up surfing!"

The Committee, led by President, Earl Kelaher, expressed immense gratitude to all of their generous Sponsors as the Committee are only able to pursue their vision of presenting an exceptional event due to the support of their Sponsors. They also congratulated each and every competitor on their efforts throughout the event. 🏆

2017 ASHS National Show Overview

Bruce Moxey, National Show Committee Chairman

Magnificent horses, outstanding competition and nine days of excitement. I think this is what everyone attending the 2017 ASHS National Show will remember.

I am very proud of the 15 Eastern Branch members who after practising in extreme heat, unbelievably strong winds and without a practice in the AELEC arena, rode an almost faultless flag ride. To hear Tracey Nelson sing the National Anthem was beautiful. Thanks to Mike Rowland and his team who volunteered their time with the Light Horsemen and women who presented the "Beersheba - capture of the wells" entertainment. Also thanks to Andrew Thomas, Dan Steers and Kym Hagon for the entertainment.

To have Hazel Shannon open the National Show was wonderful. Hazel, with her family, are members of the Cape York and Tablelands Branch. Hazel came down to Newcastle seven years ago for a month's work experience with Heath and Rozie Ryan and never went home. In November 2016, Hazel won the Adelaide Four-Star three day event, defeating all the current Olympians and many more experienced riders.

Thank you to all the Sponsors, the Committee and Competitors we are very grateful for your generosity. The R.M.Williams ongoing sponsorship has been gratefully appreciated and thank you to Terry Goodear and R.M.Williams for supporting the Flag Ride.

This year saw the inaugural presentation of the Triple Crown which was initiated by Heath Harris and the Hawkesbury River Saddlery Co. and was a pointscore accumulated over three years of National Show competition. The winner, an excited Brooke Proctor on

BRAEVIEW SOLITAIRE, a lovely black mare purchased through the Fountain of Youth Sale, was presented the trophy saddle by Heath Harris. Heath also presented a saddle for the 2yr Old Futurity.

We also witnessed the first woman to win the Abbey Open Challenge. A very emotional Kyra O'Brien riding OBRIENS RESETTE defeated Wyatt Young, who affectionately knows Kyra as Aunty, and Gerald O'Brien, Kyra's very proud husband.

The FOY Sale was once again very successful with worthwhile averages achieved, although the clearance rate could have been better. I think the top price of \$17,000 for PIMPAMPA JANIE is a good result, given she is just a yearling.

Chairman of the National Show Committee is a tremendous honour and gives me some great and exciting memories. However, the responsibility of consistently trying to keep the playing field equal and fair, dealing with criticisms of Judges (all of whom are Accredited Judges) and horse welfare issues is quite draining and something the Committee gets particularly disappointed with having to address.

I would like to thank our Show Secretary, Melissa Gorton, the Committee, the Board of Directors and Staff of the Society and my personal team of helpers and most importantly my wife, Thea, for the endless support. 🇺🇸

David Gatwood, ASHS General Manager

The 2017 ASHS National Show was a great spectacle and once again showcased the versatility and athleticism of Australia's iconic Horse!

The move to a March timeline was not without risk, however record entries competing under mostly sunny skies set the tone for a fabulous nine-day programme.

Congratulations to the National Show Committee led by Committee Chairman, Bruce Moxey, for successfully delivering the pinnacle event on the Australian Stock Horse calendar.

Topping and tailing the Show with entertainment proved popular with a noticeable increase in the Gala Night crowd and a loyal and appreciative audience was on hand to witness our Ambassador, Guy McLean with his 2 hour spectacular.

There were too many highlights over the course of the event to

mention but hopefully they were all captured via our social media posts. For me it is very much the opportunity to engage with you, the Members, so thank you for your insights and feedback.

A Show of this magnitude cannot function without the generous support of our Sponsors, Cattle Donors and Trade Stand holders, thanks to all for your valued contribution and special mention to our major Sponsor, R.M.Williams. Judges, Officials and Volunteers who do a sterling job and are very much the unsung heroes and finally a big vote of thanks to my Staff for your continued dedication.

I look forward to seeing you again at the 2018 ASHS National Show featuring the 30th anniversary of the National Futurity Series. 🇺🇸

Overall Winner: National Futurity Series 29 **BRANDWOOD ARIZONA, Cole Moxey** (Owner: Miss N Barnes)

Cole Moxey and BRANDWOOD ARIZONA (also known as “Zo”) continued their winning streak this year after taking out some major wins at other events this year. Owner, Nicole Barnes, has enjoyed watching them win the Supreme Led ASH at Sydney Royal in 2015, taking home fifth in the 2yr Old Futurity and Champion 2yr Old Hack at the ASHS National Show in 2016, being named the R.M.Williams Champagne Stakes Overall Winner at the NSW State Show, and the title Supreme Ridden ASH at Canberra Royal.

While Cole always tends to be relaxed, Nicole says she was a nervous wreck all day waiting for the results for the National Futurity Series 29 to be announced.

“I did not want anyone telling me scores, I really wanted to wait until the end which is usually so unlike me as I hate surprises,” she said, “After Zo had done her time trial I asked the people with me if she had done it and they said yes. I was so ecstatic and relieved that she had won.”

Nicole started attending the National Show after meeting Cole five years ago and this year placed third in the ladies campdraft and is looking forward to riding BRANDWOOD ARIZONA next

year. Cole does the majority of competing and will ride her again next year in the National Maturity while Nicole is looking forward to riding her in some hack classes and the ASHLA class.

BRANDWOOD ARIZONA is from STELLARPARK ROCKSTAR and out of MISS AMERICA and was bred by Nicole. Her parents own the granddam (MISS CHARISMA) while the dam (MISS AMERICA) was also bred by Nicole.

She says BRANDWOOD ARIZONA was a horse they never expected to be as versatile as what she has become, but that she doesn’t seem phased by anything and is so easy-going and level-headed that she may well be just as versatile as her childhood stock horse, though more consistent.

“I had another stock horse when I was a kid that was really versatile; I did everything from Priz St Georges dressage to polocrosse and campdrafting with him. The only thing that could let him down was he could get a bit overwhelmed in some environments.”

Nicole believes that what makes BRANDWOOD ARIZONA so competitive is that she not only catches your eye, but she also is so calm and consistent in all her work.

“When she moves, she seems to float around the ring and makes it look effortless.”

While they haven’t competed in any other disciplines or events yet with BRANDWOOD ARIZONA, Nicole does want to compete her in open show hunter classes later on this year.

“I love her type, especially her front. She has great movement and an easy-going nature. I really like that she finds everything so easy and always aims to please.”

Cole and BRANDWOOD ARIZONA have gone on to win the Supreme Led ASH at the Sydney Royal again this year as well as taking out the Reserve Champion ASH Hack and being named the Overall Winner of the R.M.Williams Most Versatile ASH Exhibit. 🏆

Michael Wilson and NANDEYE DESTINYS DREAM in the Working Section

Overall Winner: Rosebrook ASH Stud
National Maturity Series 28
NANDEYE DESTINYS DREAM,
Michael Wilson
(Owner: Field Family Partnership)

Photos by: Oz Shotz

Coming back to the ASHS National Show this year to win the Rosebrook ASH Stud National Maturity Series 28 was ASHS Director, Michael Wilson with NANDEYE DESTINYS DREAM following their win of the National Futurity Series 28 at the 2016 ASHS National Show.

Michael has competed at the ASHS National Show many times since his first Nationals in 1993 where he entered three horses that all received ribbons including GLEN LEE RIVOLI ACARAY - HSH who won the Supreme Working and Open Challenge that year.

"To be able to back up and win the Maturity was a great thrill, I feel very honoured to be entrusted with her, which I thank Judy Field for," Michael said.

Michael feels that she is a very special mare and is proud to have been her rider for their first and second show, where they won together, demonstrating how well they work as a team.

NANDEYE DESTINYS DREAM will now be focusing mainly on challenges and campdrafting over the coming years, where her quick footedness will be a great asset according to Michael.

"She has a very good mind, and impeccable breeding that helps too," he said, "Dream rates very high on my list of very good horses."

NANDEYE DESTINYS DREAM is owned and bred by the Field Family Partnership. Her sire is ACRES DESTINY - IS and her dam is NANDEYE REFLECT - HSH, also owned and bred by the Field Family Partnership.

ANNIES GIFT made her owner Brett Welsh super proud with her performance at her first ever event and winning the Snaffle Bit Futurity.

Snaffle Bit Futurity photos by: Oz Shotz

Brett Welsh can't wait to see what the future holds for 2yr old mare, ANNIES GIFT, after winning the Snaffle Bit Futurity at this years' ASHS National Show. They were also in both the Supreme Led Horse and Supreme Working Horse line-ups.

"She took it all in her stride and performed like an older mare. We couldn't have asked for her to give us any more," Brett said.

"It was such a privilege to be in such prestigious line-ups with other deserving Australian Stock Horses."

Brett Welsh, a member of the Marshall Welsh Family Asset Trust, purchased ANNIES GIFT while she was in the early stages of getting broken-in from Mark and Louise Hinman who bred and raised her. A friend of the family, Frank Green, had around four rides with her before she went to the Marshall Welsh Family to further her education.

She is by the super sire HAZELWOOD CONMAN - IS HSH and out of their well performed OTFORDVALLEY ANNIE, who as a 3yr old placed a running second in the Landmark Classic with Troy Palmer in the saddle.

"We are super proud of this filly, with her first two outings coming home a National Show and Toowoomba Royal winner," Brett said, "she is a very special young filly to our family."

ANNIES GIFT has been enjoying her break at home, and Brett says she is looking forward to her next competition. 🐾

Hawkesbury River Saddle Co.
 & Affinity Insurance
 Triple Crown Series Winner
BRAEVIEW SOLITAIRE,
Brooke Procter
 (Owner: The Procter Family)

Photos by: Oz Shotz

Hawkesbury River Saddle Company and Affinity Insurance were proud to award the very first Triple Crown at the ASHS National Show to Brooke Procter. The Triple Crown is awarded to the highest cumulative point scorer across three years for the 2yr Old Snaffle Bit Futurity, National Futurity and National Maturity events.

Brooke Procter and BRAEVIEW SOLITAIRE took home the Triple Crown title this year after coming in fourth overall in the Rosebrook ASH Stud National Maturity with 230.787 points. In 2016 they placed ninth overall in the Barastoc National Futurity with 197.771 points and in 2015 they placed second overall in the Tambeau Snaffle Bit Futurity with 244 points.

When the Triple Crown was announced back in 2015, Brooke remembers jokingly telling her husband after placing second in the Snaffle Bit that they would win the Triple Crown Series.

“Here we are the winners two years later!”

For Brooke the highlight of attending the ASHS National Show over the last three years has been not only winning the Triple Crown but also finishing in the top ten overall with BRAEVIEW SOLITAIRE in the 2yr Old, 3yr Old and now 4yr Old competitions.

“We were lucky enough to purchase BRAEVIEW SOLITAIRE from Dan and Jen Redgen, Braeview Stud in 2014 as a yearling at the Fountain of Youth Sale,” Brooke said, “her natural ability and her cool and calm temperament have made it easy to train her.”

When BRAEVIEW SOLITAIRE enters the showing, Brooke says she knows she has a job to do and is always pleased at how great a job she does. In addition to winning this award, Brooke and BRAEVIEW SOLITAIRE also won the ASHLA Class at the New South Wales Breeders’ Championships and the 2017 Toowoomba Royal Show.

When asked about her versatility compared to other horses Brooke has worked with she stated that BRAEVIEW SOLITAIRE has grown so much more with her age, even at the tender age of four. She has proven herself in the led, hack and working to date and has just started her campdrafting career with several full scores. An added blessing is how easily she can adapt to what is put in front of her including letting Brooke’s two girls, aged four and eight, ride on her.

“We love everything about this beautiful mare, she is jokingly called the ‘third daughter’. She has the most amazing temperament and gives me her all every time we go out and compete, no matter what the discipline is.”

Brooke is looking forward to continuing on with showing as an open age horse, competing in open challenges and furthering her campdrafting career. Next year will see open showing added into BRAEVIEW SOLITAIRE’s schedule along with some dressage and campdrafting.

“Next year will also see our eldest daughter compete her in the junior classes, which will be lovely to see,” Brooke said.

Brooke and her family were so excited when she and BRAEVIEW SOLITAIRE were announced the winners of the Triple Crown.

“As this is a horse I have trained myself... it makes all the late nights, early mornings, training and dedication worth it.” 🐾

Overall Winner: R.M.Williams ABBEY Open Challenge

OBRIENS RESETTE, Kyra O'Brien

(Owner: O'Brien Family Partnership)

Kyra O'Brien has been a long-time competitor at ASHS National Shows where she has gained major awards in led, hack, working, ASHLA and campdraft events. This year Kyra became the first female to win the R.M.Williams ABBEY Open Challenge.

Kyra regularly competes with horses that she and her husband Gerald have bred and with horses shown for clients.

For Kyra, winning a ribbon in the Open Challenge in any of the sections is just great, so when she got third in the Campdraft section along with being the Highest Placed ASHLA rider she was thrilled.

"I was totally shocked when my breastplate number was called out as the winner. I went to bed that night and all I could hear was Jim Callinan the Announcer, calling out my number and name. Still gives me goosebumps," Kyra said as she described how it felt to win the R.M.Williams ABBEY Open Challenge with her horse, OBRIENS RESETTE.

Kyra has only recently started riding OBRIENS RESETTE and so far, this has been their most notable achievement together. They've competed together mostly in campdrafts and with only limited

starts on him. Together they have competed with success, winning and placing numerous times. Kyra recently competed in the World Championship Campdraft at the 2017 Sydney Royal Easter Show and placed equal second overall with OBRIENS VEDETTE - HSH.

OBRIENS RESETTE versatility makes him a very competitive horse and together with her husband, Gerald, they have placed fourth in the ASHS National Futurity in 2009 and was the winner of the Open Challenge in 2011. He has gone on from there to win Champion Led, Hack and Working events at Branch, National and Royal levels. He is most notably a successful Open Campdraft horse according to Kyra.

"Resette has the eye appeal, conformation and movement to be competitive in led and hack events. He has the agility to perform well in working classes and has the speed, cattle sense and athleticism to perform in the campdraft arena with success."

While Kyra and OBRIENS RESETTE have mainly been competing in campdrafting, Gerald runs him in the Open campdrafts while she runs him in the ladies. Kyra says she is still getting to know him and that he's very quick and light in the hand.

"I look forward to continue learning from him," she said, "Resette thinks he is pretty special, he loves feed time and always gives a whinny."

Kyra and Gerald bred OBRIENS RESETTE (OAKS ACORN/OBRIENS LAUETTE - HSH), weaned him and sent him off to a friend's property to run around. She mentioned that they had a few horses away on different places at the time and were surprised when the friend asked if they wanted him home.

"We actually forgot about him until our friend asked if we wanted him home," Kyra stated with a laugh, "When we got him home we thought wow and Gerald quickly set about breaking and training him." 🐾

Pryde's EasiFeed Maiden Campdraft Series 20

The morning lights came on at 6am Friday, 3rd March for the introduction of Judge Nigel Rippon from Casino, New South Wales for the first round of the Pryde's EasiFeed Maiden Campdraft Series 20.

158 competitors rode for \$1,620 round money with cattle kindly loaned by Windy Station. We finished with 17 competitors scoring 86 and up, led by Ben McNaughton riding AMAC CONWAY - HSH (HAZELWOOD CONMAN - IS HSH/CURRAWONG REAL WAY - HSH) on 90 points and Andrew Chapman and KINARRA PANDORA (KYDRAS ACRES MERCURY/KOOLEWONG POLLY) owned by JM & SA Morse winning the Darling Downs Branch sponsored Highest Cut Out.

Saturday morning saw another early start at 6am with round two of the Pryde's EasiFeed Maiden with Steve Comiskey from Capella, Queensland in charge. After some great campdrafting with the cattle from Haggarty Pastoral, we had 16 competitors with 89 points and more. Led by five competitors with 91 points, Rob Leach on HAZELWOOD CONGRESSMAN (HAZELWOOD CONMAN - IS HSH/DULOC MIDNIGHT RUN), Warwick Lawrence with GEE BEE COINTREAU (ACRES DESTINY - IS/GEE BEE COCKTAIL - HSH), Craig Ervine on HENRYS FORTUNE (ACRES DESTINY - IS/KIRKBYS STUD REMEDY LASS - HSH), Ben McNaughton and AMAC CONWAY - HSH (HAZELWOOD CONMAN - IS HSH/CURRAWONG REAL WAY - HSH), plus Andrew Chapman on KINARRA PANDORA (KYDRAS ACRES MERCURY/KOOLEWONG POLLY). Michael Wilson and OCEAN JACKPOT (SODA JUSTICE - HSH/SMART

LITTLE MUSIC) owned by WR & LM McDonnell won the Darling Downs Branch sponsored Highest Cut Out with 24 points, and 35 competitors with outside scores from both rounds made it to the final.

Sunday brought forth the final of the Pryde's EasiFeed Maiden Campdraft Series 20 with both Nigel Rippon and Steve Comiskey officiating. After some great campdrafting, Ben McNaughton from Walcha, NSW riding AMAC CONWAY - HSH who had received a 90, 91 and 91 to total 272 points, was the overall winner. Congratulations to Ben who took home about \$1,900, a Trophy Saddle kindly sponsored by Killmore Saddlery, Trophy Rug, Trophy Garland and service to KNEIPPS CONRAY - HSH sponsored by Yarrowa Park Stock Horses. Second place went to Michael Wilson riding OCEAN JACKPOT (SODA JUSTICE - HSH/SMART LITTLE MUSIC).

The Maiden Series Plate was won by Ben McNaughton and AMAC CONWAY - HSH to give him another \$500 and to round off Ben's winnings he collected the service to DOONGARA MANPOWER - HSH (REGAL POWER - HSH/GLEN LEE RIVOLI CLASSIC - HSH) donated by Mr GK Wallen for the Highest Placed Mare.

The Highest Placed Juvenile sponsored by the Darling Downs Branch was won by Sophie Mayne riding MAYLINGA LINDELLE (LINDSAY - IS HSH/charm 01) owned by GG & LM Maynes and the Highest Placed ASHLA went to Alison Walker and SENORITAS CARBON COPY (TALAWAHL DOUBLE IMAGE/special seniorita 02) owned by the McDougall Family Partnership, and this was a voucher kindly sponsored by ASHLA.

Overall Winner AMAC CONWAY - HSH Ben McNaughton (Owner: Mr B McNaughton)

Ben McNaughton and AMAC CONWAY - HSH won the 2017 Maiden Series with 272 points. Photo by: Sue Jones Photography

For the last three years Ben McNaughton has been competing in the ASHS National Show's campdrafts, he won the Open Campdraft in 2015 and placed second in the Maiden Series last year on AMAC COMMENCE. This year he competed and won on AMAC CONWAY - HSH, a mare he couldn't imagine doing anything other than campdrafting.

Ben has always wanted to win the Maiden Campdraft and said it felt good to win it this year.

"The Killmore saddle I won is a really nice saddle, it makes it worthwhile getting your Maiden horses ready for it," he said.

AMAC CONWAY - HSH performed well and made Ben proud with her quick thinking and the way she travels outside.

When asked what makes her so competitive Ben said she can rate a cow outside and is quick and soft, making her a perfect campdrafting horse. While Ben doesn't usually ride AMAC CONWAY - HSH, his girlfriend Laura campdrafts her and together they have won a Ladies campdraft and placed in a few Open campdrafts.

"She has taken her slow for 12 months, keeping her correct and they're just starting to be competitive," Ben said.

Ben is looking forward to getting a few Maidens ready for the Maiden Campdraft again next year and campdrafting the quality of cattle available at the ASHS National Show. 🐾

Overall Winner RELDAS RAVEN ACRES, Adam Sadler (Owner: APJ & AM Sadler)

Together with RELDAS RAVEN ACRES, Adam Sadler has taken out the Novice Campdraft at this year's ASHS National Show. He has attended the Show off and on over the last ten years, in 2015 he placed third in the Maiden Series with RELDAS RAVEN ACRES and in 2016 he and PLATINUM CARISMA won the Maiden Series.

One of RELDAS RAVEN ACRES other biggest wins was a feature Novice at Coonabarabran where they took out first place and received a saddle. Adam finds she is easy to prepare for weekend campdrafts where she takes little work through the week and still manages to be competitive. Her great attitude and eagerness to please means she tries hard all the time and is following in her dam's hoofsteps.

RELDAS RAVEN ACRES is a family bred mare out of SADLERS REBECCA who Adam was lucky enough to have had success with. SADLERS REBECCA was runner up rookie horse for the ABCRA in 2004, Eastern Zone Rookie Horse 2004, she also won the Ladies at the Australian Championships in 2005 and placed third in the 2004 Warwick Gold Cup.

Adam feels it's always good to win campdrafts, as in later years it's become hard to win anywhere, "there were some great horse and rider combinations in the line so I was really happy."

Adam is looking forward to campdrafting with his family next year. His 9 year old son, Clay, rides RELDAS RAVEN ACRES at school horse sports and will be traveling to junior rodeos in the July school holidays to compete with Clay.

When asked what he likes most about RELDAS RAVEN ACRES, Adam said her attitude and temperament are second to none.

"She is pretty special." 🐾

Overall Winner: HAZELWOOD CONGRESSMAN, Rob Leach (Owner: TE & CE Hall)

Photo by: Sue Jones Photography

Rob and Lee Leach moved to Tamworth three years ago and have attended the ASHS Nationals ever since, participating mainly in the cattle events. Winning the R.M.Williams Open Campdraft this year has been Rob's highlight achievement for the ASHS National Show so far.

"It felt great, but I was mostly happy with how consistent my horse was all week," Rob said about winning the event.

HAZELWOOD CONGRESSMAN has a cool disposition and an ability to read a cow that makes him a true cattle horse. Rob said he's learned a lot about the sport of campdrafting by having him in his program and despite being relatively green, if Rob puts him in the right spots he'll take care of the rest, both in the camp and outside.

"He's shown me that you've just got to let it happen," stated Rob, "He likes it when I let him think and he seems to just 'join the dots' when the pressure is on. He just gets better through the rounds and fast runs don't get him flustered."

Winning the Open Campdraft this year is Rob's second Open campdraft win to date and the most notable for them. They also placed eighth in the Maiden Series this year and won the Second Round with a 91 followed by running off for the cut out. Rob and HAZELWOOD CONGRESSMAN took part in his first campdraft at Paradise Lagoons Campdraft in Rockhampton, Queensland in 2016. They ran a 91 in the First Round and split fourth in the final of the Elders Futurity Campdraft, they also placed ninth in the Greenup Eidsvold Station Stockman's Challenge.

HAZELWOOD CONGRESSMAN was bred by Terry and Christine Hall along with Kylie and Graham Cook, he is by HAZELWOOD CONMAN - IS HSH and out of DULOC MIDNIGHT RUN. He was sent to Rob as a 3yr old for some training by Terry

Rob Leach and HAZELWOOD CONGRESSMAN won the Open Campdraft on 179 points

and again as a 4yr old with the intention of doing challenges. He became available for purchase sometime after Rob started campdrafting him and together with good friends, Richard and Georgia Chugg from Tasmania, they bought him.

Rob could go on about what he likes about HAZELWOOD CONGRESSMAN, he says there's nothing not to like about him.

"I think he's the complete camp horse," Rob said, "I am hoping to get to more campdrafts next year. It's taken a few years to get established since moving back here from America, but we are starting to accumulate some very nice horses that will make it worth traveling." 🐾

Nominate Stallion Campdraft

To complete the rounds of the campdrafts we moved onto the Nominate Stallion Campdraft with Steve Comiskey in control and 37 stallions nominated. After some more great campdrafting, with cattle from Tony Burke. Codie Law and KNEIPPS CONRAY - HSH (HAZELWOOD CONMAN - IS HSH/BOONAL SERENADE - HSH) sat at the top on 92 points, closely followed by Mathew Holz and SHEROS TRADITIONAL ACRES (ACRES DESTINY - IS/KYEEMA SHIMMER - HSH) on 91. The Eastern Downs Branch sponsored the Highest Cut Out which was won by Troy Palmer and his great stallion BINNIA IMPRESSIVE DESTINY (ACRES DESTINY - IS/BINNIA IMPRESSION - HSH) with 24 points.

The clouds were starting to build as we went into the Final with ten competitors on 87 points and up. Coming out in first place we had Codie Law on KNEIPPS CONRAY - HSH owned by Yarrawa

Park Stock Horses with 270 points, after a run-off with Warwick Lawrence and DELRIO DESTINY (ACRES DESTINY - IS/FRECKLES BONITA) owned by Everleigh ASH Stud, third was Mathew Holz and SHEROS TRADITIONAL ACRES owned by Mr A Sheridan, fourth was Adam Wilson and COINDA BOBBY ACRES (ACRES DESTINY - IS/DREAM DET - HSH) owned by Kywong ASH Partnership and fifth went to David Lawson riding VALLIVIEW CREATOR - HSH (BLUE MOON MYSTIC - IS HSH/VET SCHOOL CHRISTINE - HSH) owned by the VALIVIEW CREATOR Syndicate No. 1. Codie took away \$570, a beautiful leather bridle and breastplate sponsored by Kent Saddlery and a Trophy Rug proudly sponsored by North West Rugs plus \$150 round money. Well done Codie and KNEIPPS CONRAY - HSH who won the Stallion Campdraft at Warwick in 2015.

Overall Winner KNEIPPS CONRAY - HSH, Codie Law (Owner: Yarrawa Park Stock Horses)

Photos by: Sue Jones Photography

With approximately 25 years of experience at the ASHS National Show, Codie Law has won many events over the years leading up to winning the Stallion Campdraft this year on KNEIPPS CONRAY - HSH. Codie says his highlight achievements have been winning the Junior Working on YARRAWA ROSALINA, taking home the Maiden Series on KIRKBY STUD AMY followed by winning it again on YARRAWA ROWENA, placing second in the National Futurity on KIRKBY STUD HOPE for Julie Sheedy and being awarded several placings in the National Futurity and Maturity over the years.

Codie said he was very proud to win the Stallion Campdraft this year on KNEIPPS CONRAY, particularly

when Natalie won the Ladies campdraft on YARRAWA GUNS N ROSES who is by KNEIPPS CONRAY.

He has won a few major events now and what makes KNEIPPS CONRAY so competitive is that he seems to rise to the occasion and gives the same run every time. Codie has mainly concentrated on campdrafting events with him though when he was young he was lightly shown in ASH events.

"He has had great success drafting really, with limited outings. He is very consistent," said Codie.

Codie's late father, Barry Law, had always admired BOONAL SERENADE - HSH and when she was bred to HAZELWOOD CONMAN - IS HSH and had a colt they were very interested. They purchased the colt as a 2yr old and have been very pleased with KNEIPPS CONRAY - HSH's temperament and consistency, as well as the ease with which he tracks cattle.

Codie is looking forward to competing with success with KNEIPPS CONRAY - HSH and his progeny in future campdrafting events. 🏆

Wylarah Pastoral Co. Ladies Campdraft

Following the Maiden, 95 ladies took to the arena for the Wylarah Pastoral Co. Ladies Campdraft with Michael Hayes from Glenmorgan, Queensland holding the whip. The cattle proved to be a little tricky for the ladies, but coming out on top was Rozinda Clare and BROWN DUKE - HSH (BROWN VICTORY - HSH/BROWN DUCHESS - HSH) bred by the late Mr Ken Brown on 90 points.

The TuffRock Highest Cut Out was called a draw after two run-offs not splitting Rozinda Clare and BROWN DUKE - HSH and Kristy Tydd riding MERLIN CENTREFOLD (playboy hefner 02/ MERLIN IMAGE - HSH) owned by Mr D Andrews, both scoring 23 in the first round resulting in 12 ladies making it to the Final.

A very excited Natalie Law was victorious on YARRAWA GUNS

N ROSES - HSH (KNEIPPS CONRAY - HSH/YARRAWA ROSALINA II - HSH) with 176 points. Nat received \$285, a service to WATCHIRS STAR - HSH kindly sponsored by Mr RJ Watchirs, a bridle sponsored by JR Saddles and Tack, product from International Health and a cap from Ariat. Second went to Fiona Palmer riding BINNIA IMPRESSIVE DESTINY (ACRES DESTINY - IS/BINNIA IMPRESSION - HSH).

Third was Nicole Barnes and ORLANGA IMPACT (ORLANGA ADAM/TOWITTA RIVOLI ROLLETTE) owned by Miss K Blackwell, fourth was Maddie Watchirs with WATCHIRS STAR - HSH and equal fifth was Rozinda Clare on BROWN DUKE - HSH and Sue Kirkby on KIRKBYS STUD CONTENDER - HSH (HAZELWOOD CONMAN - IS HSH/KIRKBYS STUD GLEAM - HSH).

Overall Winner YARRAWA GUNS N ROSES – HSH, Natalie Law (Owner: Yarrawa Park Stock Horses)

Natalie, how many years have you attended the ASHS National Show? What have been your highlight achievements at the Show?

I have attended the National Show as a spectator in the past. The highlight was winning the Ladies as this was my first year competing at the Nationals. Also, being a part of the Battle of the Sexes campdraft during the ASHS Gala Night in the main arena of AELEC was so much fun.

What makes this horse so competitive?

YARRAWA GUNS N ROSES - HSH is beautiful to ride. He is very sensitive and responsive. It's not often that a family can share a horse, but he is one of the special ones who adapts to their rider.

What are the most notable achievements you two have completed together?

Without a doubt, the most notable achievement is winning the Ladies at the Nationals. In all honesty, I have only competed on him twice for a total of four runs, with two of them taking place at the Nationals.

How does his versatility compare to other horses you have worked with?

I, like many others, went through the ranks of Pony Club. My parents Bill and Glenda Cooper were able to purchase a palomino gelding. The creamy pocket rocket took my brother Scott, and then myself to many Zone 13 jamborees, sporting was his calling. After Pony Club there was University and horses didn't fit into the schedule, or so I thought. I then met Codie and seemed to be attending more showgrounds than University lecture halls. All horses are different and I have had the opportunity to ride home bred horses with foundation bloodlines. My late father-in-law, Barry Law was an exceptional horseman and always put the finishing touch on the mares that I was fortunate enough to learn to campdraft on. My first ever run was at Upper Horton Campdraft in 2001. I was diligently studying Criminal Law in the stands when Codie declared that I was number 12 in the Ladies, something I had not planned for. I rode YARRAWA GUNS N ROSES - HSH's dam, YARRAWA ROSALINA II - HSH (NABINABAH COOL GUN - IS HSH/ DANDILLA BABY ROSE). YARRAWA GUNS N ROSES - HSH's versatility is growing with our family and we look forward to seeing Riley and Hannah ride him in the not too distant future.

How did competing in and subsequently winning this event feel?

Having never competed at the National Show I was feeling rather nervous. Codie had already won the Stallion Campdraft on KNEIPPS CONRAY - HSH, so when I won the Ladies on a son of Conray it was a very special moment for us. I would like to take the opportunity to thank the Australian Stock Horse Society, the cattle donors and all the Sponsors for their generous donations.

What are you looking forward to next year?

I am looking forward to attending again next year as a spectator and a competitor. The entertainment each weekend was spectacular.

Do you and your horse compete in any other equine disciplines or other regular events?

To date, the Nationals was our second outing together. Codie has put entries in for the Border Branch Challenge which will be a first for me. I have always watched Codie from the side-lines and I am hoping he will give me some tips.

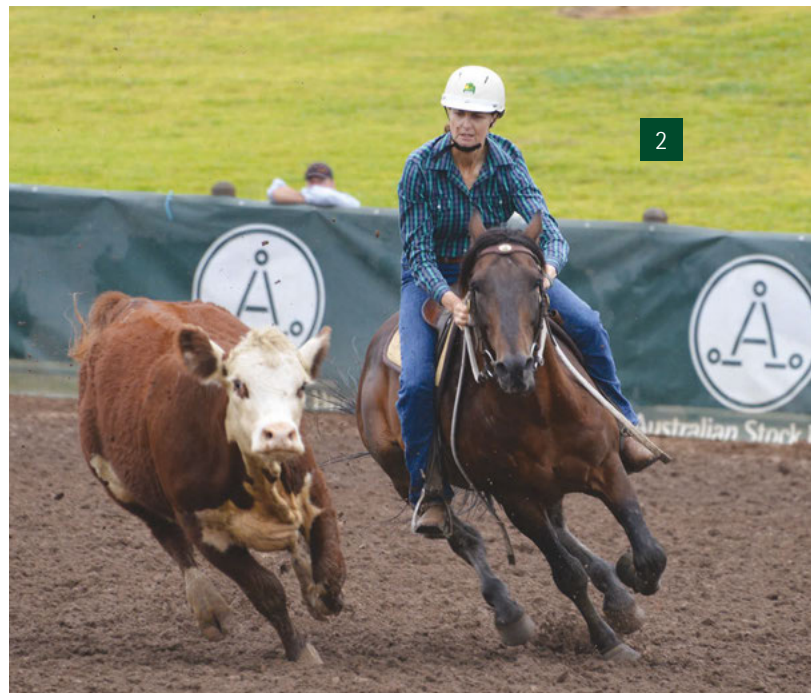

Did your family breed or purchase him?

We bred YARRAWA GUNS N ROSES - HSH who is by KNEIPPS CONRAY - HSH out of YARRAWA ROSALINA II - HSH. The sire of YARRAWA ROSALINA II - HSH was the resident sire here at the time, NABINABAH COOL GUN - IS HSH.

What do you like most about him?

He has beautiful movement and is light in the bridle. He is an athletic horse that travels well to his cattle. 🐾

Winner Q&A Anna Elder SHEADY SHOWTIME (Owner: Elder Family)

Anna, how many years have you attended the ASHS National Show? What have been your highlight achievements at the Show?

This year was our 5th ASHS National Show. We have had a lot of fun, each year coming home with a Champion or Reserve Champion. Highlights would be winning the Supreme Hack, coming third in the National Futurity, being the Highest Placed ASHLA, Lady Rider and Queensland competitor and winning the Futurity Plate and this year, the ASHLA class.

What makes this horse so competitive?

SHEADY SHOWTIME 'Sally' is big and black, with showing presence and if mum has anything to do with it she is always shiny. She has a super nature and always tries her heart out.

What are the most notable achievements you two have completed together?

Winning the Supreme Hack at Nationals when she was only 3yrs old, the Malcolm Field Highest Placed Horse and Rider at the Youth

Nationals, third in the National Futurity, and winning the Open Challenge at the QLD State Show. To top that off, being awarded the Prince of Wales Trophy in 2014 was an enormous thrill!

How does the horse's versatility compare to other horses you've worked with?

'Sally' is the most versatile horse I've had, coming from riding ponies and Thoroughbreds

in the hack ring to Stock Horses, you notice a massive difference in temperament, work ethic and versatility. She's a show horse one day and great for mustering the next.

How did competing in and subsequently winning this event feel?

I was thrilled and humbled to have my number called out, especially amongst

such a high standard of riders and presentation. It was definitely something I've always wanted to achieve and it was an unreal feeling actually reaching that goal in my first year as a senior rider.

What are you looking forward to next year?

This year I'm on a station jillarooing for the season at Carlton Hill 40km out of Kununurra in Western Australia. I'll definitely miss this horse once I start riding horses out of the station plant, she's so easy to work with and teaching her new things is certainly not out of the question! I'll be excited to get back into the showing when I get home, I'll miss it for sure. I'm also really looking forward to starting her first foal, he is a lot like her to look at and I'm hoping he will be every bit as good to ride and as biddable to work with.

Do you and your horse compete in any other equine disciplines or other regular events?

We've competed successfully in the Open Hack and ANSA classes at the Brisbane Ekka and Toowoomba Royal, it was the best feeling coming second in the Best Presented ANSA Horse and Rider at the Ekka with a hogged mane. I'm not sure how impressed the rest of the line-up was with our lack of plaits!

Did your family breed or purchase the horse?

We bought her as a yearling from Kayleen Sutton at the Toowoomba Landmark Sale and she was broken in by Michael Wilson, since then I've trained her myself.

What do you like about this horse?

Where do I start. I'm sure she is almost human. She's loaded with personality which always makes for a fun day and you can trust her to give you her all, all day long and still not feel tired at the end of it. Honestly just a pleasure to do absolutely anything with. 🐾

Supreme Led Horse of the Show QUIERA CASANOVA - HSH, Cole Moxey (Owner: Mr C Moxey)

Over the course of seven years, Cole Moxey has become a well-known rider at the ASHS National Show. In 2011 he won the National Futurity with his mare, ORLANGA REBA, and went on to win the Supreme Working Horse with her in 2012. In 2016 he placed second in the 2yr Old Snaffle Bit Futurity with QUIERA CASANOVA - HSH, going on to place third in this year's Futurity and winning Supreme Led. Cole also won the National Futurity this year on BRANDWOOD ARIZONA.

QUIERA CASANOVA - HSH is in Cole's own words 'a true Heritage Stock Horse type with an easy-going temperament' which he believes is why he's so competitive. Cole says he's more versatile than others he's worked with as he has the conformation and type but also the natural ability to work and campdraft easily.

"I also think that he will be more versatile than others due to his temperament and trainability."

Cole and QUIERA CASANOVA - HSH are looking forward to next year's ASHS National Show where they will take part in the Maturity Series. Cole believes the cattle section should be to his strength.

Cole said he was overwhelmed by winning the Supreme Led this year with QUIERA CASANOVA - HSH after seeing so many great types of horses win it in previous years.

"I was so focused on the ridden classes that I did not give

Cole Moxey and QUIERA CASANOVA - HSH taking their winning lap

much thought to his led at first," stated Cole, "I love his type but do not always expect others to have the same opinion of him."

Cole also likes QUIERA CASANOVA - HSH's conformation and temperament stating that "he's a horse that really tries" and this made training him a lot easier.

QUIERA CASANOVA - HSH was gifted to Cole by breeder and close friends Robert and Yvonne Rolfe who bred their mare, QUIERA SILLOHETTE - HSH with ARUNDLE CADMAN - HSH in 2012. 🇺🇸

Supreme Hack of the Show
DUNDEES ECLIPSE, Elle Mangan
 (Owner: Miss E Mangan)

Supreme Hack of the Show photos by: Oz Shotz

The Supreme Hack of the ASHS National Show this year was Elle Mangan and DUNDEES ECLIPSE. The duo took home this title after successfully winning every class they competed in including the Champion English Attire Hack and Champion Hack Gelding Over 5yrs.

This highlighting win follows a memorable year. Last year where they had taken home the Champion English Attire Hack and Reserve Champion Hack Gelding Over 5yrs. This was her third time competing in the ASHS National Show.

DUNDEES ECLIPSE has now won the English Attire Gelding Over 15hh class at the National Show for the past five years in a row; the first two with his previous owner, one with Elle's mother in the saddle while Elle was pregnant and the two most recent with Elle. In addition to being successful in ASH classes he has also won at the Sydney and Canberra Royals in Hunter Hack classes, making Elle very proud.

"He is the complete package, a true show horse, always works his heart out and has the sweetest nature," she said.

She describes DUNDEES ECLIPSE as the ultimate gentleman, "a one in a million no fuss horse who has the gentlest nature, good looks and always tries his heart out." The entire family loves him, especially her 16 month old daughter who loves to feed, pat and sit on him.

Elle said it was quite an emotional win this year as her good friend Janelle Manning had made the trip to be at the Show to watch her class and cheer them on. Janelle has been recovering for the past 12 months after having a stroke and Janelle and

1. Elle Mangan and DUNDEES ECLIPSE in the Hack English Attire Gelding 5yrs & Over
 2. DUNDEES ECLIPSE and Elle Mangan finishing their pattern

Brett have always shown great interest in her ASH pursuits.

"Having my parents, husband and young daughter in the stands made it a very special moment. They are always there to support and encourage me and I really wouldn't be able to compete or be successful without them, especially mum, who is usually on child minding duty so I can ride. Being a mum and competing is quite a juggling act at times so I am very thankful for the team of family and friends who help make it all work."

While Elle feels a show as successful as this year's will be hard to repeat, she is looking forward to coming back next year and competing in her classes whilst enjoying a social week away from home. Elle and DUNDEES ECLIPSE also compete in Open Show Hunter Hack and Open Lady Rider classes at National level.

DUNDEES ECLIPSE was bred by Katrina Rankine of Dundee ASH Stud, he was sired by WIN D FORTITUDE and out of WAYLON J COLA. Elle mentioned they were fortunate enough to purchase him from Paul Davidson of Camelot Stock Horses.

"I am very thankful to Paul for his time and training, which has made Ernie the delightful horse he is." 🐾

Supreme Working Horse of the Show ATKINS SUGAR - HSH, Mathew Holz (Owner: Miss P Brusnahan)

Winner Mathew Holz has been competing at ASHS National Shows since the first Futurity event, back when the Nationals were held in Dubbo, New South Wales. While he hasn't competed at every ASHS National Show since then he has strived to attend most of them.

This year Mathew was pleased to win the Supreme Working with the Atkins Partnership bred mare, ATKINS SUGAR - HSH. She is owned by Karen Carter and her daughter Paige Brusnahan.

Their two most notable achievements are winning this year's Supreme Working and when they were named finalists in the 2015 Canning Downs Campdraft.

"Competing in and subsequently winning this event gave me great satisfaction that Sugar was finally able to win a major event. She so deserves the recognition of such an achievement," stated Mathew.

Mathew and ATKINS SUGAR - HSH compete regularly in campdrafting and though she was a little late maturing and brought along relatively slowly, he is immensely proud of her.

"I feel the real turning point with her maturity and competitive ability was using her in 'The Man from Snowy River' production at Sydney Royal 2016. She has a wonderfully cool mind and natural ability. Sugar also has a beautiful fluent movement." 🐾

Sandra Langsford and MAYBAH NUMBER FIVE showing off their skills in the Dressage Elementary 3.1

Once in a lifetime, a horse comes along with such talent that makes you think this will be your 'forever' horse. MAYBAH NUMBER FIVE, or 'Felix' to his friends, is definitely that horse.

Around the middle of 2015, my attention was drawn to the stallion, PROFILE IN STYLE, mainly because he marked his babies with super expressive movement. It was by chance, I was researching this stallion and Felix popped up in an old internet advertisement. I went to look at him and was really impressed, although he was green he had that magic rhythm and cadence I so desired. His half-brother was a member of the New South Wales Mounted Police and the Police service were keen to obtain Felix as a Police horse. However, Heather Beard, his breeder wanted to see him go to a competitive home. So, home he came with me.

I purchased him with the view to compete in dressage and working equitation.

Working equitation is a new sport recently introduced to Australia. Originating in Europe, historically working equitation was designed as a competition between Italian, French, Spanish and Portuguese farmers to show-off their best working horses. I was sure Felix would eventually take us to the top in this sport.

Felix has a lovely kind nature and is eager to please. I set him on a training program, with local and international Coaches from Germany, Spain and Portugal. Every trainer was so complimentary and excited about his future, they would ask what his breed was and I was so proud to say he is an Australian Stock Horse.

It had been 15 years since I had competed at the ASHS Nationals, but the purchase of MAINS ICONIC - HSH at the Fountain of Youth Sale in 2015, kick-started a passion to compete back in the Stock Horse arena again.

Six months after purchasing Felix, I entered in the Preliminary and Novice Dressage at the

2016 ASHS National Show. Prior to the Show, Felix had only competed under saddle at one local dressage competition, so he hadn't had a lot of experience coming into the Nationals.

I was really excited to be heading for Tamworth with Felix and MAINS ICONIC - HSH for a full weekend of dressage. The number of dressage entries was very impressive, it was a huge leap in numbers since I had last competed at a Nationals. The quality of horses and riders was very strong and the dressage programme was extremely well run. Felix danced his way around both his Preliminary test to win both tests and be awarded Champion Preliminary Dressage Horse. It was an amazing Show for my two horses because 3yr old Iconic was also awarded Champion Young Dressage Horse.

I'm not a regular competitor due to other work commitments but enjoy competing when I can. Since the 2016 Show, Felix has competed in a few working equitation competitions, bringing home a broad sash each time. In dressage, he started in a few official Preliminary tests, winning Reserve Champion Preliminary Horse at Hunter Valley Championships, we skipped Novice and earlier this year moved up to Elementary, where he has won the majority of his tests, qualifying for NSW State Dressage Championships.

After having such a great time at the 2016 Nationals I was really keen to make the 2017 Nationals my big show for the year. In the Novice tests Felix tried his heart out, but I let him down in one test by making two errors of course! I was really upset that I stuffed the test up for him. But I got it together in the other Novice test, and I think

he was happy that I didn't interfere so he could get on with the job of winning the test.

In the Elementary he was first and second and awarded Champion Elementary Horse. I was thrilled with the win because he had really strong competition with a lot of very high quality tests ridden over both days. We received a lot of lovely comments from my fellow competitors and it was nice to feel a sense of camaraderie amongst the dressage riders.

Felix is like riding a Ferrari, so it was only appropriate in the Freestyle Dressage that our theme should be 'a little red Ferrari'. The freestyle is a lot of fun. It is very challenging, starting months earlier with developing a theme. Then designing your own test and choreographing it to music. I love the freestyle night, all riders put in a huge effort and it is super to see how artistic Stock Horse riders can be. Amazing costumes and entertaining choreography. Felix achieved a very creditable second place, which was a fantastic result because the competition was so hot.

As a wonderful finale to our show, it was a lovely surprise to be awarded the Conquistador II Trophy for the highest percentage in the elementary level. Thanks to Lisa Martin for kindly sponsoring this award. Felix and I are very privileged to join the list of wonderful horses who have previously won this award.

Whilst currently working in Turkmanestan, with Arkhal-Teke horse's, on the other side of the world, I have been proudly showing all the Turkmen photos of my lovely 'Aussie' Stock Horse with his green and gold rug and the Conquistador II Trophy. And they love him.

So, for the future, I am really looking forward to riding Felix until I'm 65!!! 🐾

ASHS GALA NIGHT

Photos by: Barbara Lee Equine Photography

After a day packed full of events including the 2yr Old Snaffle Bit Futurity, Australian Stock Horse Society Members and guests attended the 2017 ASHS National Show Gala Night at AELEC in Tamworth, New South Wales. The show was introduced by ASHS General Manager David Gatwood and ASHS Chairman of the Board, Craig Young, welcoming everyone in attendance.

ASHS National Show Committee Chairman, Bruce Moxey, started out by thanking everyone who helped make the 2017 ASHS National Show possible before introducing Hazel Shannon who won the Adelaide Four-Star at the age of 24 and opened the show.

"I grew up riding Australian Stock Horses in a small town in far-north Queensland," Hazel said before talking about her and her family's experience with the breed, "The skills I have learned growing up through the Australian Stock Horse Society have no doubt helped me on this journey."

It was then time for Craig Young to introduce the Hall of Fame inductee HAYDON ANGEL JEWEL - HSH who was bred by Peter Haydon of Haydon Horse Stud in Blandford, New South Wales. Peter was presented with a framed copy of the ASH Journal article on HAYDON ANGEL JEWEL - HSH which was featured in the March/April 2017 issue, while a slideshow of her highlights was shown on the screen.

Next up were Members of the Eastern Branch with Member Tracey Nelson of Singleton, NSW singing the National Anthem. The riders then performed a traditional flag ride, including ASHS National Show Committee Chairman Bruce Moxey on RAINWOOD PARK GUN FOR HIRE carrying the R.M. Williams flag. The sixteen flag riders rode beautifully in their patterns to 'Can't Stop the Feeling', 'Stayin' Alive', before finishing with 'Simply the Best'.

Kym Hagon, a vet from rural NSW, was up next riding his horse whilst singing and playing the guitar. His first song was a comedy about how he should have bought a Stock Horse. He followed that with his special version of 'Mull of Kintyre' about a guy on a horse who had a bad curry, he called the song 'My Arse is on Fire'. His performance was met with laughter and applause from the audience.

ASHS Director Michael Wilson and Show Committee Member Les Walsh then took the stage to announce the Battle of the Sexes Campdraft participants and Judges, Maree Fields and Jay Charnock. First up for the Ladies was Rozinda Clare on BROWN DUKE - HSH, followed by Wyatt Young for the Mens on CEDERVALE NOIRE who had a beautiful run with his selected beast. Up second for the ladies was Nicole Barnes on ORLANGA IMPACT, Ross Fitzgerald was up next on JATS BAR DIVINE, followed by Jade Duncan on WANGILLA SECRET - HSH and David Armitage on KASPERS IMAGINE THAT with a smooth cut out. Natalie Law and YARRAWA ROWENA - HSH were up next working patiently to separate the beast from the pack before making the first full run for the ladies. Thomas Shields on BRAEVIEW GRACE had a smooth cut out but picked a stubborn beast that didn't want to go around the pegs the right way. Madalyn Watchirs and WATCHIRS STAR - HSH's perfect run left the crowd and commentators excited. Mathew Holz and ATKINS SUGAR - HSH followed

up with a great start for his run rounding up the total score for the Mens to 167.5 and a total of 232.5 for the Ladies. The Ladies donated the \$1,000 prize to the Black Dog Institute which focuses on education and research into mental health and wellness.

Up next for the Gala Night entertainment was Andrew Thomas, former Australian Whip Cracking Champion and Guinness Book of World Record Holder, returning by popular demand to showcase the Australian art of cracking a whip. He gave an entertaining and informative demonstration of windscreen wipers, 'Baa Baa Black Sheep', and a train in movement after getting the crowd to do their best steam train whistles. Andrew then demonstrated the next level of rubbing your belly while patting your head, spinning a rope while cracking a whip which was met with applause. His performance thrilled the audience again this year.

ASHS Chairman of the Board, Craig Young, returned to the arena to auction off a beautiful horse rug which was kindly donated by Impresa. The show rug went for \$500 to Jodie Bennett with the proceeds going to the ongoing costs of running the National Show.

Following the auction was a fabulous performance by Dan Steers of the duo, Double Dan Horsemanship. His partner in crime for the night was Kym Hagon as the voice of 'Steve McLean' riding TALAWAHL DOUBLE IMAGE. Their performance was full of comedic relief in amongst skilful demonstrations, including some famous cut

out techniques used by the likes of Terry Hall, Mark Buttsworth and Pete Comiskey. They finished their segment with the ever-classic 'sitting on a bean bag', and whip cracking demonstration before heading out of the arena with stops for rearing.

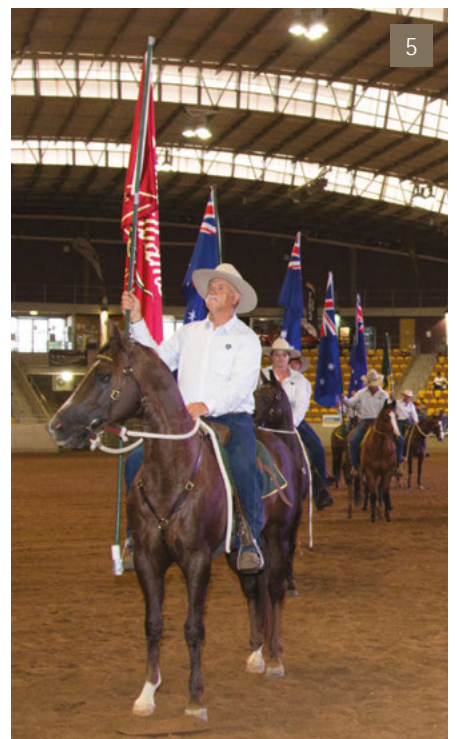

Andrew Thomas came back out with a 20-foot bullock whip, carried by his cute little assistants, Jack and Morgan. He demonstrated the use of the whip while telling the audience a little of its history in Australia. Andrew then moved on to the intertwines trick where one whip is cracking in front of your body before adding in the second whip without them getting entangled. The crowd especially enjoyed his demonstration of how he taught Tiger

Woods to crack a whip, golf swing style. He then demonstrated a trick called The Snake Killer with Les Walsh laying down before finishing off with a rendition of a horse's hoofbeats in different movement patterns.

The house lights dimmed while dramatic music played as the story of Battle of the Beersheba was told in front of an enthralled audience. The re-enactment tribute took us through the horses being rounded up and brought to the army for inspection, to a soldier's point of view. With a gunshot, the scene changed to a beach, where the audience was told how drastically the lives of the horses and riders changed and shown the sort of training they had to go through. From crossing the desert sands,

battles and challenges the light horsemen faced up to the sad choice they had to make. The audience remained engaged as the story unfolded in front of them. It was a beautiful tribute to the 100th Anniversary of the Battle of Beersheba and the men and horses involved. The night was finished off with a lap of honour. 🇺🇸

The Guy McLean Spectacular

Photos by: Jill Smith

Friday night's festivities were kicked off with the Eastern Branch flag riders forming the ASHS "A" brand before the Guy McLean Show began. Guy McLean is the Ambassador for the Australian Stock Horse Society and travels around the world performing with his ASH to raise awareness of the breed.

A SHS General Manager David Gatwood proudly introduced Guy to a very excited audience who were eagerly awaiting his show. Guy began by talking about the 2yr old mare he would be working with during the show. She had never been off her property before, so to make sure she would have a positive experience he worked with her for about 20 minutes before bringing her to AELEC.

Guy was riding MINATOKA SHOWGIRL with the young mare riding alongside demonstrating how he goes about getting a horse comfortable being around him and understanding what he wants from her. He worked with the 2yr old mare for an hour constantly talking and explaining why he was doing what he was to educate her in a safe way for the both of them.

The audience remained engaged throughout the demonstration, providing encouraging applause at each of the mare's milestones. Guy's gentle way with her makes it easy to see why she responds so quickly and so well to his movements, leading up to allowing him to ride her for the first time. After slowly mounting her he continued, gently reassuring her while they rode around, asking her gradually for more. Guy finished the education demonstration the same way he started, leading the 2yr old mare out of the arena while riding MINATOKA SHOWGIRL.

After the break, Guy and MINATOKA SHOWGIRL returned for a stock demonstration with two other mares playing the part of the stock. After riding around with the mares and showing different tricks with them, he had one of the mares lay down while he guided MINATOKA SHOWGIRL and the third mare to stand over her.

Next up they brought out a beautiful white steer to work with the mares, traveling along with Guy before laying down and having the three mares stand over him. Guy finished his show with a poem he wrote called The Dingo Pup. 🐶

Vision

The Australian Stock Horse Society wants the Australian Stock Horse to have the highest profile of any breed of horse in Australia with worldwide recognition.

Aims

To preserve the heritage and identity of the Australian Stock Horse.

To promote the development and popularity of Australian Stock Horses throughout Australia and the world.

To maximise the benefits of owning a Registered Australian Stock Horse and being a Member of The Australian Stock Horse Society.

Mission

To maintain the heritage and to promote the bloodlines and high performance of the Australian Stock Horse among equestrian activities and the general public.

Congratulations to the National Show Committee and the Board for the success of the 2017 ASHS National Show held at AELEC in Tamworth, New South Wales.

With entries significantly higher than previous years, the scheduling worked well.

I would like to thank our Judges, Sponsors, volunteers, cattle suppliers and our staff who worked so hard to deliver the best show possible. The quality of the competition was once again first rate, and if you won a ribbon, you certainly earned it. Well done to you all for delivering a great competition to be proud of.

The entertainment nights were well attended and appreciated. I have received fantastic feedback from a number of people since the show ended. Guy McLean, our Ambassador, was promoting the Australian Stock Horse in the USA to a huge crowd and then three days later performed for our Members and friends at AELEC. Guy completed an outstanding demonstration on how to handle and break-in a horse.

The National Show Committee will now be working on the 2018 Show and positions on the Committee will be filled by election at the next meeting. Please contact Melissa Gorton, our Show Secretary, if you are interested in attending the next meeting. We would be very pleased to receive more input from our Membership.

I am pleased to announce the Annual General Meeting will this year be held in the Newcastle, NSW region at a venue yet to be announced. The AGM this year will have on its agenda a major revamp of our Constitution. The Board of Directors has engaged a specialist Solicitor in the area of Corporate Law to review and deliver the changes required to bring our Constitution up to date with the latest legislation. We will also have Stud Book matters on the agenda. The preservation of our bloodlines is of paramount importance to the Board. This meeting should be of high importance to the Membership to attend.

We are only four years away from celebrating our 50th Anniversary year. This will be an incredible milestone for the Society. The Board has discussed the importance of celebrating this grand event, and we would be pleased to hear from any Member with ideas. We need to be in the planning stage now to make sure we deliver an excellent year in 2021.

All the very best with your equine endeavours,
Kind Regards,
Craig Young

2017 ASH National Show, AELEC Tamworth

The ASHLA class at any show is the epitome of traditional Australian
Stock Horse presentation. 41 entrants at this years' Nationals again did
not disappoint. All the ladies presented immaculately to the equipment
judge Felicity Green and to Fiona Rolls for the new W21 pattern. The
pattern contains some flowing hack movements, with a pesky sitting
trot element, followed by fast work. It was a very strong class at this
year's National Show, the ladies were faultless. Congratulations to
the winner Anna Elder from Queensland and the placegetters:

Overall top 10 Placings

YAHOO JILLAROO (CAN) - HSH

YAHOO JILLAROO (CAN) - HSH was the first purebred Australian Stock Horse born in Canada. Right from the start, she showed her intelligence, escaping from her paddock when she was just weeks old. When I initially purchased her in late 2010, it wasn't long before her intelligence and learning ability became apparent.

YAHOO JILLAROO (CAN) - HSH quickly learned how to open zippers looking for snacks and easily graduated to turning the lights on in the barn using the switch placed high in her stall. We used to get up early in the morning to go to work, and we couldn't figure out how the lights in the barn were always on in the morning. Then one evening we made sure we had turned the lights out at night, and sure enough, the lights were turned on in the morning, with YAHOO JILLAROO (CAN) - HSH pressing her nose up against the barn window looking for breakfast. But the learning didn't stop there, it is now routine for her to come to the house if the lights are on and neigh to remind us that she is ready to be put in the barn for the night.

We don't have to worry about intruders on the acreage thanks to YAHOO JILLAROO (CAN) - HSH. She knows the property is hers, and if any deer, a fox, a coyote, or even a dog comes onto the property, she is quick to remind them who's the boss and chase them off. Last year the neighbour's young dog came across the fence, and they were worried about the dog chasing YAHOO JILLAROO (CAN) - HSH, I told them they should worry about her chasing their dog!

In 2012 she was entered in the In-Hand Trail class event at the Annual Okotoks & District Horse Show, as I thought she would be well suited for that type of event. So, YAHOO JILLAROO (CAN) - HSH was taken for some quick training, but the first session started off badly. She was so excited about being with all the other horses that she just couldn't stand still and I was fearing the worst, as the trainer selected her as the horse he would use as an example to the others. But my fears were unfounded. After one session we could not believe she was the same horse, she was so obedient, calm and eager to learn.

When it came to the actual event, she was very excited beforehand, so we moved her close to the ring to watch other horses practice, and she calmed right down. For her time in the ring, she performed with grace, poise and confidence and seemed to enjoy the event as well as having her photo taken with the ribbon afterwards.

In 2013, we decided to breed YAHOO JILLAROO (CAN) - HSH to ROYALLE HEARTACRE (AUS). It resulted in the birth of a filly named SPECIAL AUSSIE VICTORY (CAN) on 27th May 2014. This young filly inherited her mother's personality and learning ability, starting with boldly escaping her paddock when just a few days old to come and visit us. As she was introduced to new things during her training, she took on new tasks with ease, whether it was dressage, jumping or polocrosse. In 2016, she was introduced to polocrosse, first as an umpire horse, but by the

end of the season, she had played in her first tournament. At the end of the polocrosse season she was introduced to jumping, and within three months of training entered her very first showjumping competition at Spruce Meadows, the World Class International Showjumping Facility at Calgary, Alberta, where she completed two clear rounds in the Clear Round Jumper 0.60m class.

In 2014, YAHOO JILLAROO (CAN) - HSH entered the Okotoks horse show again, this time in the English Equitation and English Pleasure ridden class, and again placed in the ribbons. In 2015, she started her polocrosse career and by the end of her first season was already playing in B-grade. In 2017 YAHOO JILLAROO (CAN) - HSH will be commencing her jumping training, with her first jumping show anticipated in 2018.

When it comes to learning, she is one of the most intelligent horses I have ever worked with.

Friends Competing Together

The 2017 Australian Stock Horse National Show was a very successful one for a group of riders from the Newcastle and Hunter area, who dominated the hack classes, proving what a strong competition area the Hunter region is.

The girls, who are all friends and compete together most weekends of the show calendar, scooped the pool winning five out of the six English Attire classes. Michelle Wilton and ADELLE REFLECTION won the 2yr Old, Candice Carroll and GLENESK BLACK LABEL the 3yr Old, Tia Andrews and ZERENITE DELTAS MAGIC the 4yr Old, Tiffany Allen and CELADON ALIBI the mare and Elle

Member Contributions

Mangan and DUNDEES ECLIPSE the gelding class. Knowing the amount of training and dedication it takes to get to this level, the girls were not only proud of their own individual achievements, but also of each other's. Lisa Gordon from LMG Photography perfectly captured the moment Tiffany Allen and Elle Mangan congratulated each other after being awarded Champion and Reserve English Attire. These two horses also regularly step outside the ASH arena and compete successfully at Royal Show level as show hunter hacks and after the passing of dear friend Ben Williams in the lead up to the Nationals, this was a very special moment for the girls.

On the final day of the Show, four of these same horse and rider combinations again came head-to-head along with GORDONVALE CASANOVA (Champion 4yr Old Hack) and BENABELLA POWERPLAY - HSH (Champion Hack Stallion) to work out for the Supreme Hack of the Show. The horses qualified as DUNDEES ECLIPSE won Champion Hack Gelding Over 5yrs and Champion English Attire, CELADON ALIBI Champion Hack Mare Over 5yrs, GLENESK BLACK LABEL Champion 3yr Old Hack, and ADELLE REFLECTION Champion 2yr Old Hack. It was a strong field of quality horses, who all looked amazing and performed polished workouts. There could only be one winner and it was Elle and DUNDEES ECLIPSE who were called forward and sashed the Supreme winner.

After a social and successful Show, the girls and their horses headed home for a few weeks preparation before the Sydney Royal Easter Show.

ASHS Nationals R.M.Williams Prize Weekend

In late January my husband Charlie and I were heading from our home near Inverell to the Sunshine Coast, and we made a special detour via Toowoomba, so Charlie could go to the R.M.Williams store to buy a particular plaited belt which he had his heart set on. We purchased the belt and a couple of shirts, and as we were leaving, the salesman asked if we would like to enter a competition, and handed us a form.

It asked for 25 words or less on why the Australian Stock

Horse Society is important today. He said we could take it away and think about it and drop the form into any R.M.Williams store. We weren't planning to be near another store on our travels, so I hurriedly filled in my details, scribbled my 25 words, and dropped it in the box, then forgot about it.

About four weeks later I received a phone call from Sibella at R.M.Williams advising that I had won the competition, and reminding me that the prize was a trip for two to the Australian Stock Horse Society National Show in Tamworth.

I have been a Member of the Society since I bred my first ASH foal about 28 years ago. We belong to the Border Branch which is a very active and friendly Branch in our district under the presidency of Jill Brown. Charlie and I are small time breeders, riders and lovers of Australian Stock Horses. We don't compete, but we use our horses for their original purpose which is working livestock on our rural property. And because of my love of the breed, my 25 words were heartfelt and spontaneous, and they went like this:

"We are continuing the heritage of our forefathers, who with their exceptional breeding skills, developed this versatile breed which is ideally suited to Australian conditions."

So off we went. We had a fabulous time watching the competition, and I would especially like to thank David Gatwood, the General Manager of the Society, and Terry Goodear, the Head of Heritage and Heartland Marketing at R.M.Williams for being wonderful hosts. Thank you for the guided tours, the meals and for introducing us to some of the absolute legends of ASH breeding and competing, including Glen Gough, Phillip Kirkby, Neville Holtz, John Lyons, Joy Poole, Michael Wilson, Peter Haydon, Tina Bridge, Steve Comiskey, and the list goes on.

We were very impressed with the superb quality of the many horses we saw competing, in their conformation, temperament, performance and particularly their consistency of type. This is of course testament to the exceptional skills of those legends I wrote about. No wonder it is one of the most popular breeds in Australia and is now earning acclaim in the USA as well.

On our return home I gave all our horses an extra pat, especially our broodmare, YOU BEAUTY, who is expecting her first Australian Stock Horse foal later this year. Maybe one day I will pull on my ASH gear again and go for a trot around the showing with my new baby. To the Australian Stock Horse Society and R.M.Williams, thanks for the renewed inspiration.

Central West Branch Youth Camp

Article by: Kayley Boyd

Central West Branch held their annual Glen Gough Youth Camp on 10th January 2017 with 60 kids attending, from all over the state and one family from Queensland.

The Camp was conducted over four days at the Cumnock Showgrounds in Cumnock, New South Wales. Participants got to spend some quality time with some of the best riders, Trainers and Coaches that our Society has. The Coaches all came from a range of disciplines within the Australian Stock Horse Society including campdrafting which was conducted by John Rumble, Noel Cheney and David Lawson.

Hack and working which we were lucky enough to have Bruce Withers, Kerry Wickson and Cole Moxey. Sporting and showjumping which we had Jo and Lou Best lend a hand and Richard Connell. Polocross was instructed by Christian Brooker, Andrew Rumble, Kylie Deshon, Fiona Brooker, Oliver Whiteley. Over three days

groups practiced their skills and newly acquired knowledge culminating in our final day competing in a fun day competition.

On behalf of the Committee, I would like to thank our Volunteers, many of who no longer have children at the camp. Thank you to the hard working kitchen staff, Robyn Lawson, Lawson family, Nic Knowles, Kirby family, Clatworthy family, Scott Jenkins, Karen and Neil Nixon, Jennifer Quirk and Ben Reynolds. Thank you and apologies to all the other families who helped and we have missed on our list. Without all our Volunteer's camps and clinic like these don't happen. We wish all participants a safe and successful 2017 and hope to see you all next year. 🇺🇸

Members of the Far North Coast Branch in New South Wales got together for a fun-filled four day clinic. Michael Wilson conducted the event at Hawthorne Park in South Grafton, NSW in February 2017.

Our Members appreciated that Michael was able to take time out of his very busy schedule to conduct a four day advanced horsemanship clinic from Thursday, 16th to Sunday, 19th February to prepare riders and their horses for both the National Show and our Annual Branch Show held in March.

On the first two days, ten adults were coached in the finer points of horsemanship required for competition which was so beneficial for those travelling to Tamworth a few weeks later. This was followed on the weekend with ten younger Members who were also keen to bring their horses up to an advanced level for our Branch Show.

We have been very fortunate in having Michael run clinics

for us over several years, giving riders much more confidence, resulting in them going on to be very successful at National and Royal Show level. Everyone looks forward to his return and the chance to take a young horse which they have started, to improve the early development of their education. 🐾

Moss Vale Branch Youth Camp

Article by: Anna King
Photos by: Kim Frazer

From Thursday, 5th to Sunday, 8th January 2017, the Moss Vale Branch conducted its annual Youth Camp. The camp was relocated for the first time to Camden's Bicentennial Equestrian Park, a wonderful facility which catered for 40 participants from across New South Wales.

Many disciplines and horse activities were offered in a group rotation system including working on the mechanical cow, ASH hack, ASH working, general horsemanship, station horse, whip cracking, cattle, practice pattern riding sessions, coupled with sporting, jumping plus loads of fun off horseback too. Each discipline was taught by a specialist Instructor supported by a team of Instructors to enable each child to receive as much assistance as possible to improve their skills. On the fourth and final day, our groups split into teams for a fun, judged and scored Team Challenge Event.

The Camp was attended by a great group of kids, ranging in age five to 21 years, all willing to learn and participate in all

the activities and supported by their guardians who provided wonderful help (in many different ways) to the Committee.

We wish to thank Ken Turner, of Lone Pine Ash Stud, the host Instructor and also our guest and specialist Instructors: Jay Charnock, Julia and Steve McGrath, Shane Everingham, and Rob Blacker (Kingsfield Stud - also the cattle supplier) who all donated their valuable time. A very big thank you must also go to the Committee members of the Moss Vale Branch who gave so generously of their time to make this event such an annual success. 🐾

SA Central Branch State Show

Article by: Amanda Young
Photos by: KANGRA Photography

The South Australia State Futurity and Maturity Show for 2017 was conducted at the Murray Bridge Showgrounds in Murray Bridge, SA. The Show was held in conjunction with the Murray Bridge All Breeds Show on Sunday, 12th February 2017.

The extremely hot 40 degrees celcius plus temperatures and poor weather conditions over the previous two weeks in South Australia had played havoc with competitors getting their young stock ready for this Show. Some competitors re-captured the joy of riding at night when it was cooler or at day-break in the mornings in their efforts to prepare their horses in time.

Accredited Australian Stock Horse Society Judges, Melise Tuma-Webb and Kerry Stiphout from New South Wales officiated. They were pleasantly surprised at the efforts of competitors to turn out their horses in such excellent condition even though the weather leading up to the Show had been so unusually hot. The Murray Bridge grounds were prepared beautifully, green and lush in comparison to the dead, dry grass in the paddocks elsewhere

in SA, with the Judges commenting on the excellent surface for competition and a bit of green feed for the horses too.

The first event of the day was the Yearling class. Unfortunately, due to the previous hot conditions and fire risk on the home front, the entry for this class was scratched.

The 2yr Old class was won by CHALANI RIPPLE, a filly shown by Kym Ide of Chalani Australian Stock Horses of Strathalbyn.

The 3yr Old class was also taken out by Kym Ide riding CHALANI TUSSOCK - HSH, a gelding by the studs' resident sire CHALANI SUNSTREAM - HSH, followed by a close second place for SUNNYRIVER ICONIC - HSH, ridden by Felicity Green of Sunny River Australian Stock Horses.

The 4yr Old class was also won by a Chalani bred horse, stallion CHALANI TEMPO owned and ridden by Janita Edwards, followed by second place ridden by Charmain Davis riding her gelding WINTER STORM - HSH.

The 5yr Old class did attract larger numbers and was a great contest. With the overall winner being South East Branch Member, Jane Allen riding her lovely gelding BOONERAH ROLEX. Second place went to another SE Branch Member, Katrina

Copping riding ELLORA DANNAN - HSH.

To encourage more Members to enter, we also held a 6yrs and Over Maturity. The winner this year was SE Branch competitor Lindy Launer with her lovely turned out mare KOOLATOO BEAU ELLE - HSH.

The Junior Judging event was won by Eleanor Edwards. Our youth Members enjoyed the event and paid attention to Judges comments and learnt a great deal on conduct and presentation from both Judges during this class.

The Supreme Led Exhibit across all led horses of the day, on a count back, was taken out by MERRIBANK FLICKA shown by Lisa Halling. A very well turned out horse and competitor. Congratulations on your win at your very first Australian Stock Horse Society Show!

The State Futurity and Maturity Show could not be such a success without the support of our wonderful Sponsors and Volunteers whom we wish to acknowledge and thank for their generosity towards our great equine breed. A big thank you to everyone. Well done, without your help events like these would not go ahead.

Victorian Management Council Youth Clinic

Article & Photos by: Fiona Beer

Victorian Management Council hosted a Youth Clinic at Cannibal Creek Reserve, Garfield on 7th and 8th January 2017. The camp was well attended with 20 kids attending and participating in the fun-filled weekend.

The Clinic was organised by David and Emma Nash who invited renowned horsemen Gerald and Kyra O'Brien from Millers Forrest, New South Wales to instruct our young Members on horsemanship skills. Sunday included a very popular session on cattle work. A big thank you to West Gippsland Branch President, John Glover, for supplying and transporting the cattle to the venue for the Clinic.

The 20 kids that participated were split into two groups and rotated between Gerald and Kyra throughout the weekend. Saturday night saw a Mexican theme with David Nash showing his culinary skills by preparing a Mexican feast. A fun competition for best dressed Mexican was won by Lilly Fullgrabe. Lilly received a handmade halter and lead as her prize from Gerald O'Brien. For a treat, there was also cowboy boot piñata filled with lollies that were demolished pretty quickly to the delight of everyone.

VMC would like to thank Gerald and Kyra for traveling to Victoria to share and impart their knowledge to our young riders and also to David and Emma Nash who coordinated and organised the Clinic. 🇺🇸
